

Lend a Helping Hand

Room 409 appreciates any donations or “extras” from your home that you would be willing to donate to your child’s classroom. Some products that will be needed throughout the year include:

- Paper (white) for copies
- Tissues
- Lysol disinfecting wipes
- Hand Sanitizer
- Colored Pencils
- Markers

Thank you for any help that you can provide! The students and I appreciate your support.

Sincerely,
Ms. Hampoian
