

Reading and Math Coaches

Welcome back and we hope everyone is settled in and enjoying the New Year! We are very excited to roll out a new program which will help many children throughout the NWES community! We are in need for some volunteers to make this program a success.

We are looking for each classroom to have 1-2 Math Coaches and Reading Coaches. The bonus to volunteering to be a coach is that you can help your child's classroom. Each coach would take a student one on one and work with them on their basic math or reading skills. There will be books and math games for you to use and it takes about 15 minutes per student each week. You can decide how many students you can help out. We can be flexible with days and times.

Please consider helping out your child's classroom:

Name: _____

Best way to be reached: _____ phone
_____ email

Child's
Teacher: _____

_____ Yes, I would like to be a reading coach

_____ Yes, I would like to be a math coach

_____ Yes, I can be both a math and reading coach

Any questions, please call Laura Bisson @595-4371 or bisson4@comcast.net
